The Lyons Companies offers a wide selection of paint colors in both smooth and textured finishes using a powder paint coating system.

FEATURES:

- Durable long lasting finish
- Friendly to the environment
- Ability to match any color

SMOOTH PAINT:

- This surface is smooth with a light gloss finish.

CUSTOM COLORS:

- Custom colors are available for larger quantity orders. Contact sales representative for details.

TEXTURED PAINT:

- This surface has a light texture to soften the appearance with less gloss and reduce scuffs and abrasion.
- Appearance is similar to laminate.
